

# View of pipeline and the shoo flies that the equipment created

## Description

View of section of pipeline and the shoo flies that the equipment created while looking for a path around rough sections. The caterpillars explore the routes because the equipment cannot always follow the right of way path created. From the Scrapbook War Emergency Pipelines, Inc.: Construction Views, Eastern Extension of East Texas-East Coast Pipeline Volume I.

## Date(s)

ca.  
1942
