Description
Fushun Power Plant in Fushun, Manchuria. Large power plant (View Number 3), showing one end of building from which four power-generating units, including condensers and all important accessories, were removed during period of Soviet occupancy. Photograph taken during the U.S. Reparations Mission. Edwin Pauley was the U.S. Ambassador on the Allied Reparations Committee from 1945-47 (the committee that assessed the reparations the Axis powers could afford to pay the victors).
