Description
Coal Hydrogenation Plant in Fushun, Manchuria. Machine shop from which all machine tools had been removed during Soviet occupancy. The remainder of the plant was devoid of control instruments but other machinery remained. Photograph taken during the U.S. Reparations Mission. Edwin Pauley was the U.S. Ambassador on the Allied Reparations Committee from 1945-47 (the committee that assessed the reparations the Axis powers could afford to pay the victors).
