Manchu Iron Works - Anshan, Manchuria

Accession Number 2009-715

Description
Manchu Iron Works in Anshan, Manchuria. Boiler house. Removed during Soviet occupancy: four complete boilers and auxiliary equipment and accessories of two more boilers. There remained for operation two gas fired and two coal fired boilers. Removals were started September 8, 1945, and completed November 8, 1945. Note: Originally contained 10 boilers, each with capacity of 60 tons of steam per hour. (View No. 2). Photograph taken during the U.S. Reparations Mission. Edwin Pauley was the U.S. Ambassador on the Allied Reparations Committee from 1945-47 (the committee that assessed the reparations the Axis powers could afford to pay the victors).
