Mitsubishi Heavy Industries - Mukden, Manchuria

Accession Number 2009-739

Description

Mitsubishi Heavy Industries - Mukden, Manchuria. Welding shop from which all equipment was removed except for a portable transformer bank and a voltage regulator (both shown at left) during Soviet occupancy. Overhead cranes and track were also removed but track was found in sections outside the building. Photograph taken during the U.S. Reparations Mission. Edwin Pauley was the U.S. Ambassador on the Allied Reparations Committee from 1945-47 (the committee that assessed the reparations the Axis powers could afford to pay the victors).
