

President Truman Activates New Generator at Grand Coulee Dam

Description

President Harry S. Truman seated at his desk in the Oval Office, preparing to press a button activating a new generator at Grand Coulee Dam. Also present are Secretary of the Interior Julius Krug (foreground, right, standing next to Truman) and members of Congress from a number of Western states. Partial identification of others standing behind the president include: Washington Congressman Walter Horan (far left); Washington Congressman Hugh B. Mitchell (third from left); Washington Senator Henry Jackson (5th from left); Ohio Congressman Michael Kirwan (2nd from right); and Oregon Congressman Homer D. Angell (far right).

Date(s)

May 20, 1949
