Unidentified Village View in Russia

Description
Exterior view showing parts of an unidentified village with what appears to be a tower or perhaps a church structure in the background. Location is not given. According to Charles Thayer's curriculum vitae: "In 1955 I made an extended tour of European and Asiatic Russia and wrote a series for the Saturday Evening Post on post-Stalinist Soviet Union." Although not identified, this photograph appears to have been taken during that trip. This view may have been taken in Russia.
