Jet Airplane Near U.S. Aircraft Carrier

Description
Full view of a United States jet airplane seen in air near a United States aircraft carrier. Location not given but possibly the Gulf of Mexico. Charles W. Thayer was invited to a civilian orientation cruise at the Naval Air Station, Pensacola, Florida, held May 23-25, 1968. Part of the experience included one day at sea aboard the aircraft carrier the U.S.S. Lexington to observe flight operations. This photograph may have been taken during this visit. Contact sheet image, original color negative in Library holdings.
