Description
Forest Documentation by Lyle Watts for a survey study probably on the Montana-Idaho border at Rock Flat showing an area of the forest where snow is melting. Back of the photo reads, "4/8/31 245pm Stop - 8 - Time 1/15 SR3 Corner 2 - Same as 7-8 on 4/2/31." His reference to "7-8" refers to his own numbering which occurs on some of his photos. This photo shows the same area as photo 2009-2918 taken six days earlier.
