

People Emerge from Building Onto Stairs

Description

This is a stereo slide of two men standing on a stair case to a porch of what is possibly a large estate. A woman in a pink dress stands in the doorway. A man in a brown suit stands with a camera in the bottom right corner of the image. There are two sphinx statues surrounded by plants along the sides of the stair case. Possibly from General Robert Landry's Iranian trip. All people are unidentified.
