

# Building with Shades Over Windows

## Description

This is half of a stereo slide showing building with windows that have bamboo shades over them on the outside. The building appears to be a long single story building. A large water feature is out front of the building, and a United States flag is on the flagpole. The building is possibly located in Iran and the picture was taken by General Robert Landry during his Iranian trip.

## Date(s)

ca.  
1952
