

Accession Number M1559

Description

An American map titled "Bible Lands and the Cradle of Western Civilization." The map shows transportation routes, ruins, principal archaeological sites, oil fields, oil pipe lines, pumping stations, canals, passes, swamps, mountains, battle locations, and other details. Printed red text throughout the map highlights the location of historical and Biblical events. Included are several inset maps of the Middle East. These insets are titled: "Jerusalem," "The Holy Land from Dan to Beersheba," "Economic Development," "Route of Exodus," "St. Paul's Travels and the Seven Churches," "The Crusades," and "Alexander the Great." This map has been transferred from Official File 199, "National Geographic Society."
