

19th Amendment

Introductory

- Pre Teach Content and Context for English Second Language (ESL) and Special Ed Students (SPED)
- Gifted and AP we rewrite in “today's language” and I challenge them to see if there are potential lawsuits.

Congress shall have power to enforce this article by appropriate legislation."

"The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex.

Youtubes

We watch these together or I have posted these on our website during Covid. I have students:

- Write a response about the main idea or with a directive.
- Tie it to something that has hit the news today.
- How would it impact them personally? (If they were living during this time) We would watch, discuss, then they would write.
