

GEORGE BUSH

February 11, 1993

Dear Mr. Mandella,

That was a wonderfully thoughtful letter you wrote me on January 14. I just received it.

I want to thank you for that letter and tell you how much I enjoyed our several contacts when I was President. Good luck in your important work.

If you are ever in Texas, please give me a call. I will buy the lunch, and we can have a good chat.

Respectfully,

Mr. Nelson Mandella
President
