Dear F.W.,

Jim Keppler passed along to me your Autobiography,  
so nicely inscribed.

Thanks so very much for your thoughtfulness. I hope all  
goes well for you in your new life. I hope you are as  
happy as Barbara and I continue to be.

I am sorry I just missed you last week. I was told you  
were in Washington when I was there on a horribly  
hectic day.

Warm regards and best wishes always,

  
The Texas A.M.  
folks still sing your praises.
