The White House
To President Lyndon B. Johnson

Dear Mr. President,

Having received information concerning the military clashes between Israel and the United Arab Republic, the Soviet Government is convinced that the duty of all great powers is to secure the immediate cessation of the military conflict.

The Soviet Government has acted and will act in this direction. We hope that the Government of the United States will also act in the same manner and will exert appropriate influence on the Government of Israel particularly since you have all opportunities of doing so. This is required in the highest interest of peace.

Respectfully,

A. Kosygin
