

THE WHITE HOUSE

WASHINGTON

June 30 50

Frank Pace called at 5 A.M.
EDT. I was already up and
shaved. Said MacArthur wanted
two divisions of ground troops.
Authorized a regiment to be
used in addition to the au-
thorizations of yesterday, to be
used at Hanoi's discretion.

Was briefed by Col Coffey at
seven o'clock. Called Pace
and Louis Johnson and told
them to consider giving MacArthur
the two divisions he asked for

and also to consider the ad-
visability of accepting the two
visions offered by the Chinese
Nationalist Government. That
for it is still recognized as the
5th permanent member of the
Security Council U.N. France
Brazil Australia Canada and
the Netherlands have come in with
ships and planes we probably don't
use the Chinese ground forces.

What will that do to that today
we don't know. Must be careful
not to cause a general Asiatic
war. Russia is figuring on an

attack in the Black Sea and
toward the Persian Gulf. Both
prizes Moscow has wanted since
Tsar the Terrible who is now
their hero with Stalin & Lenin.
