

WWI New Technologies Writing

Rank the following new WWI technologies that we discussed in class in the slots below. (1=most important, 4=least important)

Machine Gun

Tank

Military Plane

Mustard Gas

1.

2.

3.

4.

In a two-paragraph (3-4 sentences per paragraph) response, describe why you placed the technology that you did in slot number 1 and why you felt that it was more important than the other technologies. Also include what you believe would have happened during the course of the war had this technology not been created.

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
